FAST FASHION

Think Before You Buy

Clothes made fast. Sold cheap. Worn once. Thrown away.
This is fast fashion — and it's destroying our world.

Cheap Prices

Affordable for everyone. So people keep buying more and more.

!

New Trends

New styles every week. Easy to follow fashion all the time.

@

Social Media

Influencers make people want to buy new outfits constantly.

THE DARK SIDE

The Real Cost of Cheap Clothes

7,000 L

of water to make **one pair of jeans**.
Clothes are thrown away after weeks.

Workers earn almost nothing.
Long hours. Unsafe factories.

WHAT YOU CAN DO

1

Buy Less

Only what you truly need

2

Second-Hand

Thrift stores, Vinted...

3

Repair

Fix instead of throwing away

4

Donate

Give clothes a second life

Your Choices Matter.

Every purchase is a vote. Choose wisely.
