AVERAGE WORKER
PAY PER DAY

THE PROBLEM

- ✗ Pollutes water and creates waste
- ✗ Workers earn very little money
- ✗ Unsafe factories, long hours
- ✗ Clothes thrown away after weeks

THE SOLUTION

- + Buy less, choose well
- + Shop second-hand (Vinted...)
- + Repair your clothes
- + Donate what you don't wear

YOUR CHOICES MATTER.

Every purchase is a vote for the world you want to live in.
